GREAT JOB

SHOOT OUTS

Watts Bar Painting: "The crews did a phenomenal job and were extremely professional. Thank you!"

Dusty Rhodes, Director of Maint

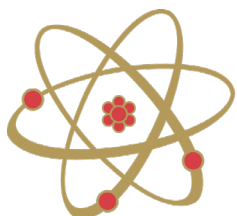

Catawba ECT: "Thanks to all for a safe and engaged outage. The noteworthy discovery items were the damage to the tubesheet coating in the KC."

Eddie Sherwood, Sr. Nuc. Maint. Tech. Sup.

NUCLEAR PROFESSIONALISM

Our jobs demand more which means we demand more of our employees. When you walk through those plant doors, there is no room for complacency. Short cuts don't happen on our crews. We always work to the highest standards. This is how we instill nuclear professionalism and are the leaders in nuclear maintenance:

- Show up to work on time and ready to work
- Respect your co-workers and leadership
- Attend and participate in PJB, 2 Minute Drills & Training
- Understand your procedure & your role in each activity
- Be aware of your surroundings including hazards, plant equipment and housekeeping
- Be aware of radiological limits and what is expected of you in the RCA
- Understand the risks associated with your assigned task & mitigate or eliminate the risks
- Remember and share your OE
- Accept and offer coaching at all opportunities
- Understand industrial safety and what is expected of you so you can accept personal responsibility for your job performance.

GROUP**

**WE WORK TOGETHER
WE CRUSH GOALS
WE ARE A TEAM!!!**

MONTOUR CELEBRATES 50TH ANNIVERSARY

Employees of the Montour plant and their families celebrated the plant's 50 years of operation together at Knoebels Amusement Resort in Elysburg, PA.

About 100 Montour employees and their families came together to celebrate the 50th anniversary of the Montour plant. CEO Alex Hernandez also congratulated the team, "Thank you, Montour Team, for your commitment and dedication to the plant and to Talen. Your efforts to keep the units running safely and efficiently have allowed us to generate critical power for the grid when it is most needed. I am grateful for your support as we invest in the future of Montour and transform for a more sustainable future. I look forward to working together to create new opportunities for our people and communities along the way."

Congratulations, Montour on your 50th anniversary!

WHERE ARE WE WORKING? Montour Power Plant

This photo shows the construction of the Montour plant, which began commercial operations in 1972.

Thank you for your sacrifice,
You gave your strength, your youth, and time.
You did a job not many will.
You deserved our respect, and you do still.
Though you didn't give your life, you were a willing soul.
Only your brothers in combat, your suffering truly know.

We love that you are here with us and honor who you are.
A grateful nation appreciates every single scar
That wrote upon the slate of you, though you were very brave.
You came back to us a hero, you are not quite the same.
For you have learned to bear the weight of defending freedom's call.
But you did come back, and that is what we give thanks for most of all.

May God bless all of America's veterans.

Happy Veteran's Day to all our Merrick employees who served in the military.

We thank you for your service!!!
